Thank you for bringing this case to Immigration, Refugees and Citizenship Canada's (IRCC) attention. Unfortunately, due to privacy laws, IRCC cannot comment on specific cases without consent.

IRCC has several programs available to foreign nationals who wish to immigrate permanently. Humanitarian and compassionate grounds applications may also be considered for exceptional cases that would not otherwise meet the requirements for permanent residence under IRCC programs.

All cases are assessed on a case-by-case basis.

However, once the period of authorized stay has ended, foreign nationals are required to leave the country.

More information about IRCC programs can be found on our website: www.cic.gc.ca.
