Standing Committee on Government Operations and Estimates

Thursday, May 10, 2007

• (1530)

[English]

The Chair (Hon. Diane Marleau (Sudbury, Lib.)): I'm going to call the meeting to order.

[Translation]

We are here today to examine the estimates.

[English]

I don't know how much questioning you want to have on this. You know that we met with the Department of Public Works on April 19 and Treasury Board on April 24, and we concurred with interim supply on March 22.

Therefore, what we're going to adopt today are the budgets, less what we've already approved in interim supply.

Are there any questions?

[Translation]

Yes, Mr. Nadeau.

Mr. Richard Nadeau (Gatineau, BQ): If the committee has no objections, can we group all of the items together and hold one vote?

The Chair: If there is unanimous consent, we will group them together and have a single vote.

[English]

We will now proceed with the votes.
