| 1. Economic Recovery and Growth |
| <i>Given the current climate of federal and global fiscal restraint, what specific federal measures do you feel are needed for a sustained economic recovery and enhanced economic growth in Canada?</i> |
| Less outsourcing Responsible government Less travel and catering within civil service Job creation Higher taxes/ less breaks for big corporations |
| 2. Job Creation |
| <i>As Canadian companies face pressures resulting from such factors as uncertainty about the U.S. economic recovery, a sovereign debt crisis in Europe, and competition from a number of developed and developing countries, what specific federal actions do you believe should be taken to promote job creation in Canada, including that which occurs as a result of enhanced internal and international trade?</i> |
| Less outsourcing No interest loans for small businesses |
| 3. Demographic Change |
| <i>What specific federal measures do you think should be implemented to help the country address the consequences of, and challenges associated with, the aging of the Canadian population and of skills shortages?</i> |
| Again, less outsourcing, keep Canadian jobs in Canada Government aided education Interest free student loans |
| 4. Productivity |
| <i>With labour market challenges arising in part as a result of the aging of Canada's population and an ongoing focus on the actions needed for competitiveness, what specific federal initiatives are needed in order to increase productivity in Canada?</i> |
| Succession planning |
| 5. Other Challenges |
| <i>With some Canadian individuals, businesses and communities facing particular challenges at this time, in your view, who is facing the most challenges, what are the challenges that are being faced and what specific federal actions are needed to address these challenges?</i> |
