Ottawa, ON

To Whom It May Concern:

**Subject: Letter of Support for Bill C43**

---

Parkland County Council supports Bill C43 – Changes to the Aeronautics Act.

**CHANGES TO THE AERONAUTICS ACT**

- The authorities will respond to a growing number of issues, including increasing traffic volume, the need to protect aerodromes from obstacles; such as wind farms and as well as the broader transportation system.
- Canadians are becoming increasingly frustrated by the absence of formal consultation requirements prior to aerodrome development and are concerned that they do not have an opportunity to raise their concerns.
- The proposed amendments would address these issues.

The proposed amendments address aviation safety and public interest concerns while encouraging the responsible development and operation of aerodromes in Canada.

Yours truly,

Rod Shaigec  
Mayor
