Good afternoon ladies,

I am emailing to let you know that Imperial's environmental consultant reported discoloured water and vegetation north and north-east of the Kearn lease boundary during recent routine groundwater sampling. Imperial is launching a dedicated team to understand the source of the water and any potential environmental impacts.

[REDACTED] and I will follow-up on this at the next ECC.

Thanks and have a good long weekend,

[REDACTED]

Thanks for the notification [REDACTED]!

The Fort McKay Métis Nation is proudly located in Treaty 8 territory and unceded Métis lands. Our collective Treaty and unceded lands have been harmoniously shared with Cree and Dene people. We thank the Creator for the gift of these rich lands and remember our ancestors who first inhabited them
