

PRIVY COUNCIL OFFICE - MANAGEMENT RESPONSE AND ACTION PLAN

to the recommendations of the First Performance Audit under the Canadian Net-Zero Emissions Accountability Act (CNZEAA) - Fall 2023 Reports of the Commissioner of the Environment and Sustainable Development (CESD)

Report Ref. No.	CESD Recommendation	Management Response	Description of Final Expected Outcome/Result	Expected Final Completion Date	Key Interim Milestones (Description/ Dates)	Responsible Organization/ Point of Contact (Name, Position, Tel #)	Indicator of Achievement (For PACP Committee Use Only)
	<i>CESD's recommendations cannot be copied below until the audit report is tabled / posted.</i>	<p><i>The departmental Management Response (MR) will be included in the CESD's audit report that is tabled to Parliament and posted on the OAG's website.</i></p> <p><i>The response must clearly indicate, in no more than 200 words, whether the entity agrees or disagrees with the recommendation.</i></p> <p><i>If entity agrees, the response should describe specific actions it intends to take and their timing (month, year).</i></p> <p><i>If the entity disagrees, the response should state the reasons.</i></p>			<p><i>The action plan will be provided to the Public Accounts Committee (PACP) within six months of the audit being tabled, or when feasible, prior to the hearing, should the organization be invited to appear before PACP to discuss the findings of an audit.</i></p> <p><i>The detailed action plan will be published on the PACP's website.</i></p>		
Para 79	The Privy Council Office should work with other federal entities to review the authorities, responsibilities, and leadership accountabilities relating to climate change mitigation. Based on its review, it should develop an action plan for changes needed to ensure that climate change mitigation is prioritized. It should	Agree. Climate change mitigation is a priority of the Government of Canada, and PCO is supportive of a review to ensure that the authorities, responsibilities, and leadership accountabilities remain as effective as possible. Areas and instruments which can be reviewed and could be leveraged include mandate letters, Cabinet committee structures and assignments, and alignments of ministerial and departmental powers, duties	Authorities, responsibilities, and leadership accountabilities, as well as the tools that support the exercise of such authorities, are optimally aligned to facilitate the achievement of the Government of Canada's	Fall 2024	The Privy Council Office will undertake a review of existing authorities and mechanisms during spring/summer 2024 with the engagement of relevant departmental partners. If relevant, a proposal for potential machinery of government changes would be provided to the Prime Minister for consideration in Fall 2024.	Allen Sutherland, Assistant Secretary to Cabinet (Machinery of Government and Democratic
