Mr. Kelly McCauley,  
Chair, Standing Committee on Government Operations and Estimates  
House of Commons

Dear Mr. McCauley,

I am pleased to provide the final response from National Defence to the Motion to Produce Papers adopted by the Standing Committee on Government Operations and Estimates (OGGO) on October 6, 2022. We appreciate the Committee granting all parties to this motion an extension for the submission of responses until November 30.

This submission includes an annotated invoice summary (Annex A) and copies of all invoices associated with the Governor General's trip to the Middle East from March 15-24, 2022 (Annex B), in both official languages.

We trust that the comprehensive nature of this submission will suffice to answer any questions members may have regarding the Governor General's trip to the Middle East from March 15-24, 2022.

National Defence remains at the ready to continue to assist the Committee with its work on this study.

Sincerely,

Bill Matthews
