

House of Commons Chambre des communes CANADA

Detailed Hospitality Expenditures Report From April 1, 2014 to March 31, 2015 The expenditures incurred by Members to carry out their parliamentary functions are reported quarterly and published within three months of the end of each quarter. The *Members' Expenditures Report* for 2014-2015 outlines Members' expenditures processed between April 1, 2014 and March 31, 2015. These expenditures are subject to the policies of the Board of Internal Economy in effect when the expenses are incurred. To see the current policies, refer to the *Members' Allowances and Services Manual* available on the Parliament of Canada Web site.

The Members' Expenditures Report presents expenditures by budget and expense category.

Each budget is presented in a separate **column**, explained below:

- Member's Budgets: This column presents two budgets to which Members may charge expenses.
 - Member's Office Budget: Members are provided with an annual office budget to pay for employee salaries, service
 contracts, hospitality and advertising expenses, other printing services, constituency office leases, office operating
 costs, transportation expenses (when no travel points are used), as well as other travel-related expenses. View the
 Member's office Budget by Constituency.
 - Travel Status Expenses Account: Members are provided with an annual allocation to pay for the per diem and
 accommodation expenses that they personally incur while in travel status, as well as expenses related to a declared
 secondary residence.
- Resources Provided by the House: This column presents the costs incurred by the House Administration to support
 Members in the discharge of their parliamentary functions as well as the costs related to travel points.
- Travel Points: This column presents travel points used by Members and their authorized travellers in the support of Members' parliamentary functions. Members are provided with travel points at the beginning of each fiscal year, regardless of where their constituency is located in Canada. A travel point is equivalent to one return trip and a trip means a direct trip, by any means, to one destination for a particular purpose.
 - Regular: The number of points used by Members and their authorized travellers when travelling between the
 constituency and Ottawa.
 - **Special:** The number of points used by Members and their authorized travellers when travelling within Canada, other than for trips between the Member's constituency and Ottawa.
 - U.S.A.: The number of points used by Members when travelling to Washington D.C. or New York City.

The *Detailed Travel Points Report* provides details on Members' and authorized travellers' trips for which travel points were used:

- special and U.S.A. trips processed between April 1, 2014 and March 31, 2015; and
