

## House of Commons Chambre des communes CANADA

Detailed Hospitality Expenditures Report From April 1, 2014 to December 31, 2014 The expenditures incurred by Members to carry out their parliamentary functions are reported quarterly and published within three months of the end of each quarter. The *Members' Expenditures Report* for the third quarter of 2014-2015 outlines Members' expenditures processed between April 1, 2014 and December 31, 2014. These expenditures are subject to the policies of the Board of Internal Economy in effect when the expenses are incurred. To see the current policies, refer to the Members' Allowances and Services Manual available on the Parliament of Canada Web site.

Expenditures are reported in the quarter in which they are processed, not necessarily in the quarter in which they are incurred. Any modifications relating to a published report will be reflected in the next year-to-date quarterly report.

The *Members' Expenditures Report* presents expenditures by budget and expense category.

Each budget is presented in a separate **column**, explained below:

- Member's Budgets: This column presents two budgets to which Members may charge expenses.
  - Member's Office Budget: Members are provided with an annual office budget to pay for employee salaries, service
    contracts, hospitality and advertising expenses, other printing services, constituency office leases, office operating
    costs, transportation expenses (when no travel points are used), as well as other travel-related expenses. View the
    Member's office Budget by Constituency.
  - Travel Status Expenses Account: Members are provided with an annual allocation to pay for the per diem and
    accommodation expenses that they personally incur while in travel status, as well as expenses related to a declared
    secondary residence.
- Resources Provided by the House: This column presents the costs incurred by the House Administration to support
  Members in the discharge of their parliamentary functions as well as the costs related to travel points and booked tickets
  for which a claim has not yet been processed by the House Administration.
- Travel Points: This column presents travel points used by Members and their authorized travellers in the support of Members' parliamentary functions. Members are provided with travel points at the beginning of each fiscal year, regardless of where their constituency is located in Canada. A travel point is equivalent to one return trip and a trip means a direct trip, by any means, to one destination for a particular purpose.
  - **Regular:** The number of points used by Members and their authorized travellers when travelling between the constituency and Ottawa.
  - **Special:** The number of points used by Members and their authorized travellers when travelling within Canada, other than for trips between the Member's constituency and Ottawa.
  - U.S.A.: The number of points used by Members when travelling to Washington D.C. or New York City.

The *Detailed Travel Points Report* provides details on Members' and authorized travellers' trips for which travel points were used:

- special and U.S.A. trips processed between April 1, 2014 and December 31, 2014; and
- regular trips processed between July 1, 2014 and December 31, 2014.
