

HOUSE OF COMMONS
CHAMBRE DES COMMUNES
CANADA

Detailed Travel Points Report
From April 1, 2019 to March 31, 2020

The *Members' Expenditures Report* for fiscal year 2019-2020 outlines Members' expenditures processed by the House Administration between April 1, 2019 and March 31, 2020. The expenditures incurred by Members in the discharge of their parliamentary functions are published within three months of the end of each quarter. These expenditures are subject to the policies of the Board of Internal Economy that are in effect when the expenses are incurred. The current policies are explained in the *Members' Allowances and Services Manual* available on ourcommons.ca.

The expenses reported in the *Members' Expenditures Report* are, to some extent, reflective of the characteristics of the constituency that each Member represents. Constituency size, population and location are factors that influence Members' expenditures.

The *Members' Expenditures Report* presents year-to-date expenditures by budget and expense category.

Each budget is presented in a separate **column**, as follows:

- **Member's Budgets:** This column presents two budgets to which Members may charge expenses.
 - **Member's Office Budget:** Members are provided with an annual office budget to pay for employee salaries, service contracts, hospitality and advertising expenses, other printing services, constituency office leases, office operating costs, transportation expenses (when no travel points are used), as well as other travel-related expenses. For more information, see the Member's Office Budget by Constituency appendix in the Budgets chapter of the *Members' Allowances and Services Manual*.
 - **Travel Status Expenses Account:** Members are provided with an annual allocation to pay for the per diem and accommodation expenses that they personally incur while in travel status, as well as expenses related to a declared secondary residence.
- **Resources Provided by the House:** This column presents the costs incurred by the House Administration to support Members in the discharge of their parliamentary functions, as well as the costs related to travel points and booked tickets for which a claim has not yet been processed by the House Administration.
- **Travel Points:** This column presents travel points used by Members and their authorized travellers in support of Members' parliamentary functions. Members are provided with travel points at the beginning of each fiscal year. A travel point is equivalent to one round trip and a trip means a direct trip, by any means, to one destination for a particular purpose.
 - **Regular:** The number of points used by Members and their authorized travellers when travelling between the constituency and Ottawa, within the constituency, and from Ottawa or the constituency to the provincial/territorial capital.
 - **Special:** The number of points used by Members and their authorized travellers when travelling within Canada, other than for regular trips.
 - **U.S.A.:** The number of points used by Members when travelling to Washington D.C. or New York City.

The *Detailed Travel Points Report* provides information about Members' and authorized travellers' trips processed between April 1, 2019 and March 31, 2020, for which travel points were used.

Members' expenditures are divided into eight categories, as follows:

- 1 **Employees' salaries:** This category includes the salaries of Members' employees.

- 2 **Service contracts:** This category includes the costs for professional, technical or administrative services provided to Members.
- 3 **Travel:** This category includes the travel costs of Members and their authorized travellers, and is sub-divided as follows:

For the list of current designated travellers, see the *Public Registry of Designated Travellers*.
